## Hampshire Village Booklets

<p>A series of booklets compiled by Roy Montgomery on ancient rural parishes of Hampshire covering items such as a brief history, the church and non-conformists, schools, pubs and inns. The aim of the booklets is to help researchers develop their own knowledge by investigating further the various sources used, including the extensive holdings at the Hampshire Record Office and Hampshire Libraries. They are illustrated with a schematic map of the parish, a modern photo of the church and where possible an older photo of the church or village. This is an on-going project with more parishes being added.</p>	<p><b>Collect in Person</b> £2.00</p>	<p><b>By Post UK</b> £3.00</p>	<p><b>By Post Europe</b> £3.50</p>	<p><b>By Post Rest of World</b> £4.50</p>

## WEA Publications

We are pleased to offer the following publications from the Portsmouth Workers Education Association Local History Group. This is a splendid series entitled "Memories .....", covering various areas of Portsmouth. They contain fascinating detail of the streets and houses within the area using early records from Portsmouth Record Office. The books also include personal stories from inhabitants of the area, as do the more general books about wartime and work experiences. They are an invaluable source of social history and detailed observation of daily life mainly from the 1920s and 30s, but also the 40s and 50s.
